# Letter to Parents/Guardians

Dear Parents/Guardians:

We would love to add your little one to our F.K.F2 family and teach them all about what it means to be healthy. Along with our fun fitness atmosphere, we emphasize how important it is to form healthy eating habits at an early age. All of our instructors are former Atlanta Hawks Cheerleaders, Professional dancers and All-Star Competitive cheerleaders that are experts in the field and have extensive experience working with children in various youth programs. Our classes are 45 minutes long and they include a technique stretch, a creative warm-up, core lesson and a cool-down/game. F.K.F2 monthly tuition/fees include 1-2 classes per week, shirt, recital attire, additional recital necessities, a professional F.K.F2 portrait, 2 In-House Fieldtrips and a special keepsake each week. We make it our mission to make sure that your child learns something new and memorable each class!

Sincerely,

Jasmine, Owner
